- i. Grantor's obtaining rights to, and filing applications for registration of, any new trademarks or service marks which are necessary for the conduct of the business of the Grantor, or otherwise acquiring ownership of any newly registered trademarks, registered service marks, trademark applications, or service mark applications, in each case which are necessary for the conduct of the business of the Grantor (other than Grantor's right to sell products bearing the trademarks of others in the ordinary course of Grantor's business).

- iii. Grantor's entering into any new trademark license agreement or service mark license agreement.

5. AGREEMENT APPLIES TO FUTURE MARKS.

- a. The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 4(c), above, all of which shall be deemed to be and treated as "Marks" within the meaning of this Agreement, except trademark licenses.
- b. Grantor hereby authorizes the Collateral Agent to take all such reasonable action to protect the Collateral Agent's interest in and concerning any future registered trademarks, trademark applications, registered service marks and service mark applications, written notice of which is so given, *provided, however*, the Collateral Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

6. GRANTOR'S RIGHTS TO ENFORCE MARKS. Prior to the Collateral Agent's giving of notice to Grantor following the occurrence and during the continuance of an Event of Default, Grantor shall have the exclusive right to sue for past, present and future infringement of the Marks including the right to seek injunctions and/or money damages, in an effort by Grantor to protect the Marks against encroachment by third parties, provided, however:

- a. Grantor first provides the Collateral Agent with written notice of Grantor's intention to so sue for enforcement of any Mark.
- b. Any money damages awarded or received by Grantor on account of such suit (or the threat of such suit) shall constitute TM Collateral.

- c. Following the occurrence and during the continuance of any Event of Default, the Collateral Agent, by notice to Grantor, may terminate or limit Grantor's rights under this Section 6.

7. COLLATERAL AGENT'S ACTIONS TO PROTECT MARKS. In the event of

- a. Grantor's failure, within five (5) days of written notice from the Collateral Agent, to cure any failure by Grantor to perform any of Grantor's obligations set forth in Section 6; and/or
- b. the occurrence and continuance of any Event of Default,

the Collateral Agent, acting in its own name or in that of Grantor, may (but shall not be required to) act in Grantor's place and stead and/or in the Collateral Agent's own right in taking actions to protect the Marks.

- 8. RIGHTS UPON DEFAULT.** Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may exercise all rights and remedies of a secured party upon default under the Uniform Commercial Code as adopted in the State of New York with respect to the Marks, in addition to which the Collateral Agent may sell, license, assign, transfer, or otherwise dispose of the Marks. Any person may conclusively rely upon an affidavit of an officer of the Collateral Agent that an Event of Default has occurred and is continuing and that the Collateral Agent is authorized to exercise such rights and remedies, subject to any court order to the contrary.

9. COLLATERAL AGENT AS ATTORNEY IN FACT.

- a. Grantor hereby irrevocably constitutes and designates the Collateral Agent as and for Grantor's attorney in fact, effective following the occurrence and during the continuance of any Event of Default:
 - i. To exercise any of the rights and powers referenced herein.
 - ii. To execute all such instruments, documents, and papers as the Collateral Agent reasonably determines to be appropriate in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Marks.
- b. The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of the Collateral Agent.
- c. The Collateral Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 9(a) herein, but if the Collateral Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to Grantor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial

proceeding (in which proceeding the Collateral Agent has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been grossly negligent or in actual bad faith or willful misconduct.

10. COLLATERAL AGENT'S RIGHTS.

- a. Any use by the Collateral Agent of the Marks, as authorized hereunder in connection with the exercise of the Collateral Agent's rights and remedies under this Agreement and under the Credit Agreement shall be coextensive with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.
- b. None of this Agreement, the Credit Agreement, the Security Agreement, or any act, omission, or circumstance taken or arising hereunder may be construed as directly or indirectly conveying to the Collateral Agent any rights in and to the Marks, which rights are only effective following the occurrence and continuance of any Event of Default.

11. INTENT. This Agreement is being executed and delivered by the Grantor for the purpose of registering and confirming the grant of the security interest of the Collateral Agent in the TM Collateral with the United States Patent and Trademark Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of, the Security Interest granted to the Collateral Agent, for the ratable benefit of the Secured Parties, under the Security Agreement. All provisions of the Security Agreement shall apply to the Marks. The Collateral Agent shall have the same rights, remedies, powers, privileges and discretions, with respect to the security interests created in the TM Collateral as in all other Collateral. In the event of a conflict between this Agreement and the Security Agreement, the terms of this Agreement shall control with respect to the TM Collateral and the Security Agreement with respect to all other Collateral.

12. CHOICE OF LAWS. It is intended that this Agreement and all rights and obligations hereunder, including matters of construction, validity, and performance, shall be governed by the laws of the State of New York without regard to conflicts of law principles thereof (other than Section 5-1401 of the General Obligations Laws of the State of New York).

13. TERMINATION; RELEASE OF TRADEMARK COLLATERAL. This Agreement shall terminate when all the Obligations have been paid in full in cash, the Lenders have no further commitment to lend, there are no Letter of Credit Outstandings (or all such Letter of Credit Outstandings are fully cash collateralized in a manner reasonably satisfactory to the Issuing Bank) and the Issuing Bank has no further commitment to issue Letters of Credit under the Credit Agreement, at which time the Collateral Agent shall execute and deliver to Grantor, at Grantor's expense, all termination statements that Grantor shall reasonably request to evidence such termination. Notwithstanding anything herein to the contrary, this Agreement and the security interest granted hereby shall continue to be

effective or to be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to Applicable Law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. Any execution and delivery of termination statements or documents pursuant to this Section 13 shall be without recourse to or warranty by the Collateral Agent.
